

Evaluation of Autumn Topic 2014

Year 3:

History Focus:

***Finding out about people who
shaped Britain***

The Romans

Science Focus:

Light and shadow

Forces

Topic overview

Year 3 have become time detectives! We have developed our historical enquiry skills and used different sources of information to find out what life was like in Roman times. For homework we were challenged to find out more about life in Roman times. We became Roman Estate Agents and found out all about Roman villas. We then had to persuade people to buy one!

Photographs

Our visit to York

We are time detectives!

What was it like to be a Roman?

Discovering Roman Life in York

Our homework – We were set a challenge to find out more about an area of Roman life and present to the class in a creative way.
